

8.10–8.20

GREETING SPEECH
VILIUS BERNATONIS

General partner
ignitis | on

8.20–09.40

SESSION: DEVELOPMENT OF THE ECONOMIC POTENTIAL OF THE EU AND LITHUANIAN GREEN PROGRESS

What Kind of Green Future Does Europe Need?
VIDMANTAS JANULEVIČIUS

Bringing Dutch insight to Lithuania's energy transition: a view from the outside in FRANK OOMEN

Business and political leaders' discussion

Does EU green policy hinder Lithuanian industry and the state, or can it help them grow?

Participants: VIDMANTAS JANULEVIČIUS, DENIS GACICHA, DAINIUS VILČINSKAS

Moderated by: VILIUS BERNATONIS

09.40–10.15

COFFEE & PARTNERSHIP BREAK

Presented by

SKONIO SLĖNIS
Gourmet Catering

10.15–11.55

SESSION: GREEN ENERGY DEVELOPMENT

Greeting speech
ŽYGIMANTAS VAIČIŪNAS

How Energy Storage and Interconnections Will Transform Renewable Energy Opportunities in Lithuania
ROKAS MASIULIS

Between ambition and reality: the dilemma of Lithuanian energy
PAULIUS BUTKUS

Germany's Policy in Promoting the Development of Prosumer Electricity Generation
HARTMUT FISCHER

Business and political leaders' discussion
How should the state ensure rapid RES development to achieve long-term goals – investment, jobs, and competitive prices?

Participants: ŽYGIMANTAS VAIČIŪNAS, ROKAS MASIULIS, MARTYNAS NAGEVIČIUS, NERINGA PETRAUSKIENĖ, MINDAUGAS KEIZERIS, VALDEMAR FIODOROVICH

Moderated by: PAULIUS ZAPOLSKIS

11.55–12.10

COFFEE & PARTNERSHIP BREAK

Presented by
VOLVO

12.10–13.30

SESSION: THE REVOLUTION OF STORAGE CAPACITIES

How to turn large battery parks into a revenue engine?"
HUMPHERY WEN

Presented by

NordBESS
Partner for World-Class BESS

Smart Energy Storage in Europe's Transition: Practical Pathways and Value Maximisation for BESS Applications
Dr. GUANG YANG

Discussion with political leaders and experts. What is the growth potential of the energy storage services market in Lithuania and the Baltic region, and in which sectors will it be greatest?"

Participants: Dr. GUANG YANG, MARCIN SZUMILO, HUMPHERY WEN, Dr. ŠARŪNAS STANAITIS

Moderated by: GAILĖ JUOZAPAITYTĖ-GUDŽIŪNĖ

13.30–14.00

LUNCH AT RIVERSIDE RESTAURANT

14.00–15.55

SESSION: NEW BUSINESS MODELS OF RENEWABLE ENERGY SOURCES

Presented by

Enefit

When Synchronisation Occurs: The Evolution of Electricity Sector Regulation and Its Impact on the Development Potential of Storage Facilities RENATAS POCIUS

Electricity market trends: changes here to stay
PAULIUS KOZLOVAS

Power Purchase Agreements and BESS – Road to Energy Security, Independence, and Additional Revenue
VANESA VUJANIĆ

Will We Be Able to Replace "Nord Pool"? A Test for the Market by Renewable Energy Sources VALDEMAR FIODOROVICH

Business and political leaders' discussion

How will the evolution of storage change the energy business and the balancing market, and how will it affect regulation?"

Participants: RENATAS POCIUS, PAULIUS KOZLOVAS, VALDEMAR FIODOROVICH, AGNĖ BAGOČIUTĖ, ALGIRDAS DUČINSKAS

Moderator: Dr. PAULIUS ZAPOLSKIS

15.55–16.10

COFFEE & PARTNERSHIP BREAK

Presented by

KRISTOFORAS

16.10–17.40

SESSION: ENERGY BUSINESS SECURITY

Is the Eastern Flank Doing Enough to Ensure Energy and Digital Security? GEDIMINAS JUKNIUS

Business and political leaders' discussion

What solutions should businesses implement, and what solutions should the state ensure to guarantee energy business security?

Participants: EDITA GUDAUSKIENĖ, GEDIMINAS JUKNIUS, NEMUNAS BIKNIUS, ERNESTAS ŽVAIGŽDINAS, VYTENIS KORYZNA

Moderator: KAROLIS MIRINAVIČIUS

17.40–18.00

SOLAR STARS 2025 AWARDS

18.00–21.00

INFORMAL CLOSING OF THE EVENT

Presented by
 **BESS SOLUTIONS**  **EVENT FOOD**

10.15–11.35

SESSION: ECONOMIC POTENTIAL OF GREEN TRANSPORT AND MOBILITY TRANSFORMATION

How many billions should Lithuanian business, industry, and policymakers expect to be generated by the green transport and mobility transformation?

MARIUS DUBNIKOVAS

Solar Power Plants, Electric Vehicles, and Energy Storage – an Inevitable Chain of Technologies

VYTAUTAS JOKUŽIS

Business and political leaders' discussion

What actions must we take to ensure that the green transport and mobility transformation strengthens Lithuania's economy?

Participants: DOVILĖ SUJETAITĖ, VIDMANTAS JANULEVIČIUS, RAMŪNAS DILBA, ARNOLDAS ŠILEIKA, VYTAUTAS JOKUŽIS

Moderator: MARIUS DUBNIKOVAS

11.35–11.50

COFFEE & PARTNERSHIP BREAK

11.50–13.15

SESSION: THE GREEN FUTURE OF CITIES

Livable Cities

JAN GEHL

Discussion

What solutions are needed to increase the investment attractiveness of Lithuanian cities and the capital?"

Participants: JAN GEHL, MINDAUGAS PAKALNIS

Moderator: MONIKA BALTRUŠAITYTĖ

13.15–14.00

LUNCH AT RIVERSIDE RESTAURANT

14.00–15.50

E-MOBILITY FORUM // INFRASTRUCTURE SESSION

How "Via Lietuva" Can Help Promote Private Sector Solutions in the Field of E-Mobility

MARTYNAS GEDAMINSKAS

The Baltic States on the road to e-mobility:

small markets – big changes

EIMANTAS BALTA

Infrastructure development ≠ e-mobility development?

ROBERTAS VYŠNIAUSKAS

Discussion

What infrastructure must we establish to ensure the smooth development of e-mobility on highways, in major cities, and in regions?

Participants: EIMANTAS BALTA, MARTYNAS GEDAMINSKAS, ROBERTAS VYŠNIAUSKAS, TOMAS ŽILIONIS, AGNĖ MARKAUSKIENĖ

Moderator: ŽYDRŪNĖ STUGLYTĖ

15.50–16.05

COFFEE & PARTNERSHIP BREAK

16.05–17.30

E-MOBILITY FORUM // FUTURE SESSION

The future of sustainable mobility – highways and/or dead ends? Which types of ecological transport have the greatest potential in Lithuania?

AGNĖ BAGOČIUTĖ

Beyond profitability: the economic case for high-speed rail. Why Rail Baltica is a catalyst for Europe's sustainable future

MARIUS NARMONTAS

Electrification of urban and intercity passenger buses. What kind of future should we aim for?

AURELIJA VARPUČINSKĖ

Discussion

How will we support e-mobility and tax polluting and heavy road transport?

Participants: AGNĖ BAGOČIUTĖ, MARIUS NARMONTAS, ŽYGMANTAS MAURICAS, SAULIUS BAKAS, AURELIJA VARPUČINSKĖ

Moderator: ŽYDRŪNĖ STUGLYTĖ

09.00–10.05

SESSION ON SOCIETY'S ECONOMIC WELL-BEING AND THE STATE'S SECURE FUTURE

The sessions in this hall are presented by

Discussion

How many thousands of jobs and billions in value for business and the state will a successful green transformation of Lithuania's economy generate?

Participants: KĘSTUTIS BUDRYS, EDUARDAS EIGIRDAS, AIRA PALIUKĖNAITĖ, LUKAS SAVICKAS, MARTYNAS NAGEVIČIUS

Moderated by TAUTVYDAS MIKALAJŪNAS

10.05–10.15

COFFEE & PARTNERSHIP BREAK

10.15–11.15

CLIMATE CHANGE AND POLLUTION SESSION

Solutions for Adapting Old Technologies to Modern Standards

ASTA SUNGAILIENĖ

What is the price of climate change?

GRETA ILEKYTĖ

Discussion

Threats to public well-being and security posed by climate change and pollution, and business opportunities to reduce them

Participants: ASTA SUNGAILIENĖ, VIKTORAS MATONIS, dr. NERINGA VILKAITĖ-VAITONĖ, GRETA ILEKYTĖ

Moderated by PAULĖ PUPINYTĖ – BRUŽIENĖ

11.15–11.25

COFFEE & PARTNERSHIP BREAK

11.25–12.15

ENERGY INDEPENDENCE AND CITIZENS' WELL-BEING SESSION

How to turn communities into allies of renewable energy development by presenting the socio-economic impact? JEPPE JOHANSEN

Conversation with JEPPE JOHANSEN

Moderated by RUSLANAS IRŽIKEVIČIUS

12.15–12.25

COFFEE & PARTNERSHIP BREAK

12.25–13.25

SESSION ON THE ECONOMIC POTENTIAL OF GREEN BUSINESS AND STARTUP GROWTH

Presented by
ecoservice

Three circular economy challenges we must address now
JURGITA NACEVIČIENĖ

Business and Policy Leaders Discussion

What is the Circular Economy's Potential in Increasing Citizens' Well-Being and Strengthening the National Economy?

Participants: JURGITA NACEVIČIENĖ, MARINA CURKO-NOTKUVIENĖ, ALMONTAS KYBARTAS, GRETA ČESNAITYTĖ, LINAS JONAUSKAS (tba)

Moderated by ŽIVILĖ KROPAITĖ

13.25–14.00

LUNCH AT THE RIVERSIDE RESTAURANT

14.00–15.20

SESSION ON THE GREEN ECONOMY HIGHWAY BETWEEN VILNIUS AND KAUNAS

Vilnius Vision: The Neris River as the Axis of Urban Renewal
VALDAS BENKUNSKAS

Business and Policy Leaders Discussion

What kind of green progress should Vilnius strive for?

Participants: VALDAS BENKUNSKAS, SIMONAS GENTVILAS, REMIGIJUS LAPINSKAS

Moderated by MARIUS DUBNIKOVAS

*** THE SESSIONS IN THIS HALL ARE STREAMED FREE OF CHARGE ***

10.15–11.45

GREEN PROGRESS FUNDING SESSION

Presented by

How the EIB Promotes the Green Transition
IGNAS ŠIAUDVYTIS

**Public-private partnership (PPP) –
alternative way for infrastructure financing**
VILIUS GIRKONTAS

Business and policy leaders' discussion

**"What financing for green progress is available and
what should we strive for?"**

Participants: VIRGINIJA GEČAITĖ, SIMONAS KLIMAVIČIUS, VILIUS GIRKONTAS, AUDRIUS ŠILGALIS

Moderated by RENA SARIBEKIAN-KINDERĖ

11.45–12.00

COFFEE AND PARTNERSHIP BREAK

12.00–13.15

NUCLEAR POTENTIAL SESSION

Presented by

**"Small Nuclear Reactor Market Trends
and Signals to Lithuanian Energy"**
LINAS BAUŽYS

**"Small modular reactors: what potential
can we see today?"**
DR. EGIDIJUS URBONAVIČIUS

Discussion

"When will Lithuania have the first small nuclear reactor?"

Participants: LINAS BAUŽYS, PAULIUS BUTKUS, DR. EGIDIJUS URBONAVIČIUS, RENATAS ŠUMSKIS

Moderated by DEIVIDAS JOKŠAS

13.15–14.00

LUNCH AT RESTAURANT RIVERSIDE

14.00–15.45

**TECHNOLOGY (AI) IMPACT
ON BUSINESS SESSION**

Presented by

**From Data to Impact:
How Digital Grids Transform Business**
PRZEMYSŁAW LIMAN

**Anti-Promptology: Between AI Capabilities
and Human Responsibility**

Prof. dr. AGNĖ PAULAUSKAITĖ-TARASEVIČIENĖ

**"Storage technologies in energy.
Do we have examples in Lithuania?"**

DAIVIS VIRBICKAS

**"Green innovation – from idea to market.
Successful Commercialisation Examples
and Business Opportunities"**

PATRICIJA REUT

Expert discussion

**"Will AI have the greatest impact on the future of
energy and transport?"**

Participants: DENIS GACICHA, DR. DARIUS NAUJOKAITIS, PROF. DR. AGNĖ PAULAUSKAITĖ-TARASEVIČIENĖ, DR. ARTŪRAS MEDEIŠIS, DAIVIS VIRBICKAS

Moderated by KAROLINA GRICIŪNĖ

15.45–16.00

COFFEE AND PARTNERSHIP BREAK

16.00–17.30

**ENERGY STORAGE SYSTEMS
(BESS) SESSION**

Presented by

Batteries in Lithuania's Grid. Lessons Learned.
Dr. ŠARŪNAS STANAITIS

**From Data to Decisions: SCADA/EMS as the Digital
Backbone of BESS Operations. Case Study**
GIORGIO INFORZATO
ANDREA FORTUNA

**The Enrichment of the Baltic BESS Market
and What Lies Ahead?**
LIUDAS KARALIUS

Learnt lessons in C&I and utility-scale BESS Projects
WALTER SCHEIBER

Expert discussion

How not to finish last in the BESS race?

Participants: Dr. ŠARŪNAS STANAITIS, LIUDAS KARALIUS, WALTER SCHEIBER, GIORGIO INFORZATO, ANDREA FORTUNA

Moderated by AUGUSTINAS RAZUMAS

10.15–11.30

SESSION OF THE FUTURE OF LITHUANIA'S FORESTS

Presented by
Valstybinių
miškų
urėdija

Sustainable Forests and Smart Technologies: The Role of State Forests in Mitigating Climate Change
VALDAS KAUBRĖ

Agroforestry – Opportunities to Increase Forest Cover Using Agricultural Land
REMIGIJUS LAPINSKAS

Discussion of political and business leaders Balancing Humans and Nature – How to Align Societal Needs (Recreation, Forest Visits, Wood Demand) with Ecosystem Protection

Participants: VALDAS KAUBRĖ, REMIGIJUS LAPINSKAS, AUDRIUS RADVILAVIČIUS, dr. ALGIS GAIŽUTIS, AURIMAS SALADŽIUS
Moderated by NERIJUS KUPSTAITIS

11.30–11.45

COFFEE AND PARTNERSHIP BREAK

11.45–13.10

ALTERNATIVE FUEL POTENTIAL SESSION

From Waste to Green Energy: Biomethane Production from Food and Agricultural Waste
VYTAUTAS KERŠYS

Will we achieve decarbonization goals and unlock the potential of biomethane?
JURGIS POLUJANSKAS

Discussion

From Farmer to Truck: The Path of Biomethane Towards 1 TWh in Lithuanian Transport

Participants: AIRIDAS DAUKŠAS, VYTAUTAS KERŠYS, MINDAUGAS PROTAS, DARIUS SNIEŠKA, AUDRIUS RADVILAVIČIUS
Moderated by MARTYNAS NAGEVIČIUS

13.10–14.00

LUNCH AT RESTAURANT RIVERSIDE

14.00–14.30

SPECIAL SESSION. FROM KILOWATT-HOURS TO INVESTMENT

Special discussion on the role of distribution networks in ensuring flexibility and resilience in the European electricity system

Participants: RENALDAS RADVILA, NERIJUS CESIULIS
Moderated by DEIVIDAS JURSEVIČIUS

14.30–14.45

COFFEE AND PARTNERSHIP BREAK

14.45–16.15

URBAN ENERGY EVOLUTION SESSION

Pipelines in Cities – More Than Just for Heating
VALDAS LUKOŠEVIČIUS

Architecture of Efficiency: Innovations in the Urban Energy Ecosystem
GERIMANTAS BAKANAS

The evolution of apartment buildings: how will we renovate tomorrow
GVIDAS DARGUŽAS

Expert discussion

How must the legal and regulatory framework evolve to maximise the potential of district heating for both the decarbonisation of building heating and the formation of a reliable electricity market?

Participants: GERIMANTAS BAKANAS, VALDAS LUKOŠEVIČIUS, ROLANDAS MARCINKEVIČIUS, SIMONAS BARSTEIGA, ARNAS ZUIKIS
Moderated by GAILĖ JUOZAPAITYTĖ-GUDŽIŪNĖ

16.15–16.30

COFFEE AND PARTNERSHIP BREAK

16.30–17.30

SPECIAL SESSION ON THE NEED FOR GREEN PROGRESS PROFESSIONALS

Presented by

Discussion of Education System Leaders and Experts

“What kind of knowledge and concentration of professionals in Lithuania can create an environment conducive to transforming green progress into economic prosperity?”

Participants: prof. ROMUALDAS KLIUKAS, prof. EDITA GIMŽAUSKIENĖ, Dr. ŽIVILĖ SKIBARKIENĖ, VIDMANTAS JANULEVIČIUS
Moderated by VESTINA GUSTYTĖ
